Dear Customer,

This is just to inform you about the recent rules imposed by Aviation Authorities when it comes to *Basic Module Exams for Off-Site* ie. Mega Aero Training Academy.

From **March 1st 2021 onwards** the new Regulation states that (SRT) i.e. our Examination Managers have to send the **examination paper with the intended questions** to the Authority (FOCA) **no later than 12 days before** the planned examination date.

MATA who then will receive an approval / rejection of the paper within 10 days.

Why is this important for MATA EASA customers? **Beyond 12 days prior to the Exam day, no students can be added to the list if they want to take the Exam for the Modules that are not already on the list sent to the Authorities**

Therefore, please find attached Examination and registration Cut-off dates applicable to all examinations for 2021.
